

Intro Wrapup

My. Name / Title
Everybody can code
Skills taking prog. class
Mentor / 1-1
Teaching kit / CC
Translation / remix / book
Movement / ecosystem

Chapter 2
Install Python?
Ipad / chromebook /
school / library
Teaching Assistants
Ideal - Install

Honor code
Install / code / paste
Three windows
Reset
Teaching assistance
static checks

Hello World

Congratulations
Take a break but...
Control flow – steps
Next: Cool variables
"Data Structures"

Welcome back.
"Data Structures"
Important for
programming
Strings, Files, Lists,
Dictionaries, Tuples

What next?

Learn to Learn

Take intro classes – 1K lines

Meetups / FreeCodeCamp

PyCon / DjangoGirls

Use at work / Get new job

Keep Learning
